**"Education through Performance"**

Dear Band Director,

The Tarpon Springs Leadership Conservatory for the  
Arts firmly believes that the music education experience is  
strengthened through performance. It is with this goal in  
mind, that I am pleased to extend a personal invitation to you  
and your marching band to participate in our Outdoor Music  
Festival on Saturday, October 16, 2010.

It is our philosophy that first and foremost, a marching  
band contest is an event which emphasizes the experience and  
performance - not the competition. We are committed to  
providing experienced adjudicators, who in return will provide  
quality comments and suggestions to assist you and your  
students in the process of fulfilling their potential. The only  
thing any of us have control over is ourselves, our product, and  
our commitment to excellence.

We have added several additional award opportunities  
and updated our classification categories. I hope you will  
consider joining us in making The Tarpon Springs Outdoor  
Music Festival a quality performance opportunity for all  
participants.

Detailed information about our festival is included. To  
register, please visit [www.tarponspringsband.com](http://www.tarponspringsband.com). Click on  
the link to the Outdoor Music Festival. If you have any  
questions, please feel free to call me or Howard Weinstein for  
information.
